Sports & Corporate Group Travel are market leader in specialist group tours with many years experience in the organisation of school trips. We work closely with the coach companies and Theme parks on your behalf ensuring complete peace of mind for the trip organiser.

Written risk assessments for your coach travel and Theme parks are available for you and we will send out your tickets in advance of your visit.

We are a phone call away at ALL times.

The award-winning and hugely popular **Drayton Manor Theme Park**, near Tamworth Staffordshire, is packed with fantastic rides and attractions.

However, Drayton Manor Theme Park is not just about thrilling rides, it also features a first-class zoo that is home to more than a 100 different animal species.

March 2008 will see Drayton Manor unveil its newest attraction – Europe's first Thomas Land, based on the popular Thomas & Friends™ series.

Over 400 different species of animals and award-winning gardens – along with first class facilities – ensure your day at Chester Zoo is one to treasure!

We are the UK's No. 1 Zoo and one of its most visited attractions. We also work tirelessly, both at home and abroad, for the conservation of many endangered species – helping to ensure their survival for future generations.

Children can learn more about animals at our Animal Talks throughout the day. Our presenters are on hand to answer your questions. - and don't miss the Sealion's fish feed.

With no less than 6 heart stopping rides, **Pleasure Island** is the place to be for white knuckle thrills. There's the Boomerang, the Hyperblaster and the amazing Alakazam!

And of course there is Hydromax – If you didn't manage to try the new white knuckle ride that arrived at Pleasure Island just last summer, then this is your chance. Brave the dizzy heights of the HydroMax and experience a breath taking G Force of 4.2. Only for the truly brave, the booster ride is definitely not for the faint-hearted!

If it's education, entertainment or fun you're looking for, **Camelot** is the ideal place for your next school trip and offers excellent value.

Based on the Arthurian legend, your pupils can learn whilst having fun! The jousting tournament will show the skills and spectacular horsemanship that was needed to be a knight of the realm. And only true adrenaline junkies will dare to ride on King Arthur's mighty sword Excalibur - a fearsome, stomach churning, test of nerves.

So, strap yourself in, hold on and prepare to embrace the legend!

Alton Towers is the UK's most popular theme park with some of the best rides ever created. There are the incredible 'Nemesis', 'Oblivion' and 'AIR' roller coasters and thrill rides such as 'Submission' and 'Ripsaw'. An exciting launched roller coaster named 'Rita' was added recently, ideal for adrenaline junkies.

There are many other great rides for all ages such as last year's new attraction, 'Charlie and the Chocolate Factory - The Ride', it's an amazing experience!

Flamingo Land is the UK's only theme park and zoo offering an action packed day out for all ages.

Whilst the more adventurous can enjoy some of the most extreme coasters in the country like Kumali and Bullet, there's also a great selection of rides for younger visitors including the new Splash Battle water ride.

You'll also be amazed at the fantastic animal life at the zoo from the most powerful and fierce to the most rare and endangered species.

Lightwater Valley is one of the UK's leading theme parks, packed with over 40 rides and attractions. From jaw dropping big thrill rides like the Eagles Claw to mini adventures like the Dragon Boat for the junior thrill seekers.

The park also boasts an awe-inspiring Bird of Prey Centre with what is possibly the largest golden eagle in England, see how birds are trained and handled.

Enjoy the rides and let your imagination run wild... you're in for an unforgettable adventure!

Blackpool Pleasure Beach is the UK's favourite Theme Park with over 145 rides including Europe's largest rollercoaster, the Pepsi Max Big One and other extreme white knuckle rides like Valhalla for adrenalin seekers to leisurely cruises around the River Caves.

The famous Pasaje Del Terror, offers a terrifying interactive horror experience - and if you are fascinated by the weird, wonderful and horrific also enjoy the Horror Crypt or Ghost Train. There really is too much to do!

In addition to the featured destinations below we also arrange trips and tours to:
Warwick Castle, London Eye, Chessington World of Adventures, Stratford-upon-Avon - in fact just tell us where you want to go, how many there are in your party and we'll do the rest!

Many theme parks have developed a range of imaginative and stimulating classroom resources to support the National Curriculum, should you wish to incorporate an educational element, please do not hesitate to ask.

*Typical prices are quoted per student and include transportation and park entry. Based on 49 people using a coach with one free staff place for every 10 full paying students in July 2008
